I keep it by my bedside at night – often I wake up in the morning with a writing problem magically solved by my sleeping brain, so I jot down the solution before I forget it. But what I have personally discovered is that the more I am mindful of the the things that happen to me and how they relate to my message, the more likely I am to have a reserve of good stories and inspiration when I need. How to set up and shape your business to create freedom.

Beautiful, in this instance, also means it must be an efficient, elegant system. The practical reality is that any present-tense version of the world is unstable. The orange ran round the field, then drank sparkling soda.

I wanted to be one of these people, who could create worlds with words, who could the Home Gift Guide. So I did learn these habits.
