Except in the two cases above-mentioned, the attribute is placed, without the copulative, in immediate connexion with its subject j the 16 article, if it be used at all, being always prefixed to the attribute. If both nouns have the article, but not the copulative, they relate to the same person. These texts therefore cannot be brought to disprove the Unitarian supposition, because this sup- position must first be proved Ambigú 3:33 (Spanish Edition), before these texts can be taken from the exception and brought under the operation of the rule.

Which thing to behold would be abominable for a modest man even; or for a modest Get to Know Us. After having established, by a fair induction of particulars, a general rule of interpretation, with the exception of plurals and proper names only, you ought, I apprehend, to have inquired whether that rule was liable, or not, to farther exceptions, and of what nature ; so as to reduce them, if possible, to some common character ; and then to have stated, and fairly examined, the ques- tion, whether those passages, to the interpretation of which you would apply your rule, belonged to the class of exceptions, or if not, whether they might not be particular and anomalous exceptions. Sharp," Ambigú 3:33 (Spanish Edition) he " believes that

xvgta?

But then a series of abstract ideas, it may be observed, are used to denote persons. It is mentioned thus early, that the principle may be kept in mind ; and its truth may be re- marked in the other cases of limitation or of exception to be quoted.
