The second person in English never changes. In this case you can say "Ich habe irische Euros.

The order of objects is different for nouns and pronouns. If you give opium to Grandpa, opium will kill Grandpa. Other subordinate clauses provide information that would otherwise have been provided by one of the several parts of speech. German grammar is more complex than, but sufficiently similar to, English that "reading" German is possible with minimal vocabulary in the sense that the student should generally recognize the parts of a sentence.

Over a million people speak German as their native language. The bricklayer example in which hin is an integral separable prefix is the verb hinrichten which means "to execute. These verbs separate when they are the main verb of a sentence.
