This helps me to more accurately interpret the book because I am well aware of conclusions God inspired the author to make even while I am reading introductory remarks and supporting arguments. Now, you might suggest that is a lot of reading. One of the most important methods of Bible study is book study. However, when they quote scripture and it lines up perfectly with what we have in the Byzantine tradition majority text tradition we should stand up and notice. The key is to remember that, while seems like a long time ago, there is actually more time between and than there is between and Interestingly, this error is commonly made by atheists and anti-Christians you are called and accepting the call to be a preacher or teacher, you must go above and beyond in your efforts. Understanding why depends on an understanding of context.
