Some good meat on real estate investing. Crook shines an antiseptic light on the shadowy "get rich quick" hucksterism that has plagued the world of real estate investing as a byproduct of a long runup in prices, a phenomenon that has also accompanied strong bull markets in US stocks intermittently for two centuries. Zandi provides a rilliant blow-by-blow account of how greed, stupidity, and recklessness brought the first major economic crises of the 21st entury and the most serious since the Great Depression.
