### **The Sons of Heaven - Wikipedia**

Sons of Heaven, the final volume of Kage Baker's Company series, Iden is a simple story, nothing like as complicated as the later ones.

### **The Sons of Heaven (The Company, #8) by Kage Baker**

The Sons of Heaven is a science fiction novel written by Kage Baker. It is the last in her series of novels about The Company. The Company, formally known as.

Her first Company novel, *In the Garden of Eden*, was also published in *to Come*, *The Machine's Child*, and *Sons of Heaven*, and her first fantasy novel.

Into this dyspeptic time a blue-black book is launched carrying such wisdom as: *Imagine there's no God. There is no Heaven or Hell. There is only your son and.*

The cyborgs are created by taking suitable children who would otherwise die and augmenting them with artificial components, physiological enhancements, and nanotechnology to continually repair their bodies so that they never age or die. And please do not start this book without having read at least some of the others—this is a bare bones summary of a series that extends, literally, through space and time, and you'll be lost almost immediately.
