Creating systems that work for and make sense to you will help you stay on top of your academic assignments and your personal needs. I had perfect grades until my second year in high school.

For older adolescents and adults, hyperactivity might manifest as restless ADHDers ... we love nature...awww nature makes us feel relaxed, happy, good, life that grows, the beautiful green color of trees, the wind, water ... God... awww, freedom at last! Because of my hyperactivity I was able to get things done, to pull it through, and pull it through not in the best conditions, but harsh ones.

This allows for the possibility of the free exchange of differing points of view. In the meantime, other articles from him will be posted and we can bounce thoughts between us.
