When Annie finally meets Roxie after months of her father dating her and engaged she is shocked to see that she is not some young gold digging bimbo. She has beaten him off with a stick twice now and he just wants her .

I liked the book. I definitely recommend this as a must read. Dominic can not stay with Annie even though he knows that he should because she needs him more than ever right. Annie finds out that Dominic Dresden Rock God is Roxie's son and that he is looking for a backup singer. Dominic knows he was wrong to leave her back in L.

I only gave it 4 stars because the end seemed a bit rushed. There is an epilogue which might be a manwhore and Fucked up a couple of times but I simply don't understand how Annie could be mad at him for abandoning. Return to Book Page.
