Office of Strategic Services. June Learn how and when to remove this template message. The name of the operation was chosen at random from a Ministry of Defence code book, although several of those who took part in the operation later reflected that the name was apt as the town of Jedburgh in the Scottish Borders was notorious in the late Middle Ages for the activities of the raiders known as the Border Reivers. Subversive activities--France--Normandy. American servicemen training Few in number they were criticized as elitist and were considered suitable only for behind-the-lines operations in a major East-West conflict. Hall was back in London two days later.
