Nikolai Gogol on his deathbed The writer refused medical help and waited for his death. Having mistaken a well-dressed windbag for the dreaded incognito inspector, the officials of a provincial town bribe and banquet him in order to turn his attention away from the crying evils of their administration. He corresponded with pretty girls of various social groups Maria Balabina, Countess Anna Vielgorskaya, and others and courted them romantically and humbly.

Gogol's oeuvre has also had a large impact on Russia's non-literary culture, Gogol has been featured many times on Russian and Soviet postage stamps; he is also well represented on stamps worldwide. The aspect under which the mature Gogol sees reality is expressed by the Russian word *poshlost'* which means something similar to "triviality, banality, inferiority", moral and spiritual, widespread in some group or society.
