Never far from his coffee and Marlboros, Jerry is always interested in discussing future work opportunities. Too often, when faced with a failing business--or even a problem employee--entrepreneurs move into "I-can-fix-it" mode.

It represents the freedom to envision something new and to make it happen. Most

Never far from his coffee and Marlboros, Jerry is always interested in discussing future work opportunities. Most simply defined, an entrepreneur is a person who identifies a need and starts a business to fill that void. What could you possibly do as an entrepreneur?

This book takes the process and way of thinking of a master chef and translates me, the one thing that never changes is knowing my audience.
