Because most people lack relationship skills and knowledge they struggle to create successful relationships. Exercises the book suggests for doing this include, among other things, thinking about incidents that illustrate characteristics one appreciates in one's partner; talking about the happy events of the past; and completing a item "Seven-Week Course in Fondness and Admiration". Choose to be conscious of what you are thinking and how you are acting, Principles of A Successful Marriage that you can make choices that will support and not sabotage your relationships.

Choosetobconsciousofwhatyouarethinkingandhowyouareacting,sothaty Most couples forget the need to engage in interesting conversation, candle light dinners and romantic evenings after they have been married for several years. Trust can only be built with honesty and transparency, so there should not be any deception or lies within couples. Thisisthehardest. Being clear about who you are and what you want in life and your marriage will bring a powerful sense of fulfillment and purpose to your life. Areeb on March 24, at 3:
