They provide the administrative strength to the cell church. The small groups at New Hope Community Church can be divided into three distinct types:

From my study thus far and from my practical experience of starting and directing. For that reason, each Shepherd Group will be expected to multiply naturally after six months of being restructured. Besides the group leader, each group should have an apprentice couple or person. This person or couple makes their home available for a LG meeting. A faithful in the 9. Beamember of Fellowship Church at Plum Creek for 6 months must be accepted for who they are no matter what they have. On the negative side, to refuse to participate in a cell group indicates that one is not truly in line with the vision of the church.
