ADAA is an international nonprofit organization dedicated to the prevention, treatment, and cure of anxiety, depressive, obsessive-compulsive, and trauma-related disorders through education, practice, and research. I ran into her house and hid under the kitchen sink, screaming and crying and incoherent. Where do you find yourself now?

I currently taken medications, though I do attend talk therapy twice weekly I can see their little faces. The alternative – losing yourself completely – is not worth it. I ran into her house and hid under the kitchen sink, screaming and crying and incoherent.

It was early afternoon and a lovely, warm day. I can see their little faces. His current therapist was well aware of Sean's indecisiveness over the past four years about whether to re-enlist, and she herself had listed PTSD among Sean's diagnoses when she had assessed him more than a year ago.
