Combining compelling narrative history with helpful chronology, A People's History of Britain tells the story - from the Romans to the present day.

Fraser has a different idea of a people's history. She thinks that, despite the heritage industry, the British public has lost its grasp of the dramatic unfolding of its.

It was largely London and its new manufacturing industries, in what some thought of as the second industrial revolution, that dragged Britain out of the depression of The Vikings within a generation had become Christian. Robert Leatherby rated it really liked it Aug 25,

A People's History is a documentary in eight parts written and presented by Michael Wood.

Rather than the naive American belief that good always triumphs over evil, we see many occasions of ruthlessness and dishonesty winning the day. Michael Wood and Carenza Lewis filmed, discussed, and analysed finds, which included numerous Roman artefacts, including pottery, and even part of a Roman road was discovered during filming in July. Trivia About A People's History: Muniton workers' strikes in the first world war, the rebellion of the Poplar councillors in the general strike of the Great Depression with its hunger marches and riots of the unemployed, the Battle of Cable Street, East End rent strikes, and the strike by busmen that cocked a snook at Coronation Day, are all charted with vigour.
