Such dramatization is performed to emphasize the permanence and efficacy of the central themes of the myth, which integrates and undergirds the structure of meaning and value in the culture. The Oxford companion to world mythology online ed.

After the creation the deity goes away and only appears again when a catastrophe. There are no entirely satisfactory solutions to this dilemma. The world comes into being because of his wisdom, and he is able to actualize the world because of his power. The act of creation is the bringing of order from disorder, and in many of these and reviews No one's rated or reviewed this product .
