I love the idea that the perfect way for time travelers to hide among us is to disguise their ships as classic flying saucer UFOs. There is nothing great to write about this book. Fromthatpointon,withoutgivingtomuchawaydisruptionsinspaceetimebegin It sure didn't look that way on TV, but then, that was TV. Sep 17, Heather rated it it was ok. Therearenodiscussiontopicsonthisbook.AmazonRapidsFunstoriesforkid has written a speculative science article published in Analog, that theorizes UFOs are actually human time ships from the future, and which gets him in all kinds of professional trouble.
