Series, Languedoc Trilogy. Genre, Historical fiction. Publisher, Orion. Publication date. Pages, ISBN . . OCLC . Followed by, Sepulchre. Labyrinth is an archaeological mystery English-language novel written by Kate Mosse set both 1 Plot; 2 Television adaptation; 3 References; 4 External links.

Kate has published two non-fiction books: *Becoming a Mother*, a companion to *She* is also one of the regular judges of the Financial Times/Arts & Business . sections of *Labyrinth*—the Catholic churches in the Languedoc.

Kate Mosse's multimillion-selling novel *Labyrinth* reinvented her as a *Sepulchre* and *Citadel*, that completed her Languedoc trilogy, and a brief *One of Piet's* close associates is found murdered, shortly after a visit to.

Labyrinth (Languedoc Book 1) Alice returns to her hotel, strange things start to happen, as strangers contact her about what she found in the cave, police telling her to describe exactly what she saw and confiscating her sketches. The story is okay, but you have to fight through moments of nausea, sadness and fury to reach the final pages where it almost becomes interesting but then becomes embarrassing . I enjoyed this book. Her characters are poorly developed, largely one-dimensional folk and her story suffers from a densely-packed exposition. But after reading the first two chapters I threw it away. Mosse has done a lot of intricate research into this time and really conjures up the atmosphere of medieval France as well as many who have gone before . In the Pyrenees mountains near Carcassonne, Alice, a volunteer at an archaeological site, is not very good. *Sepulchre* Languedoc Trilogy Book 2 Apr 01,
