Since then he has written eight non-fiction books under his own name, and ghost written several more, primarily for former Special Forces personnel. Making use of material not previously available, this definitive book refocuses attention on and enhances understanding of the hard-nosed political fanatics and opportunists who were responsible for one of the most appalling crimes in human history, the attempted execution of the Jews of Europe.

Heinrich Himmler held the same position in the SS Schutzstaffel and the organization. Weale's brief portraits of SS leaders are to the point; his debunking of myths is a great service. *Difficult Women* by Roxane Gay. *Welcome to Night Vale*: Since then he has written eight non-fiction books under his own name, and ghost written several more, primarily for former Special Forces personnel. We all need a new angle, a new interpretation or new material.
