Listening is a skill if you wish to learn to speak in another language. So, motivation fluctuates as it is impacted by various factors in real time, moment to moment. O Brave New Words: It sounds like conversation and play and singing and reading and interacting and true listening.

Language is about more than just words. Make your interactions positive, look practice, of course, people tend to have a variety of reasons, both intrinsic and extrinsic, for why they want to learn, and different aspects motivate them at different times.
