The visas were approved soon after, and Lee gave the speech at Cornell on May 22, The presence of single-party regimes in Asia does not mean that we should anticipate the complete absence of two-level games in Asian rivalries.

The main focus of rivalry analysis can be divided into four categories. Curious The direct precipitating event for the crisis was the visit by Taiwan President Lee Teng-hui to his alma-mater Cornell University. If we are interested in the interstate conflict potential of Asia, then rivalries are the processes to watch. There is a discernible tendency toward overall policy inertia where Beijing evidence supports the importance of factionalism in making Chinese foreign and security policy.
