The sound of the dogs warning signal was now faint, and only the silence of the night remained. This may give me a sense of how old the forest is.

It does lack, however, the wonderful quirkiness and comic brightness of her... It held my interest and kept me reading. After I had recorded this last fifteen minutes, Claudia made an interesting observation. They were most likely small chipmunks and squirrels rummaging through the debris.

This drop in temperature had a great affect on the plant life within Williams... Allender updated their cover photo. I have not been able to spot it yet, but hopefully it will appear in the near future.
