An immediate, eye-witness account of the beginnings of the Spanish Civil War by an American married to a Brit living happily in exile in an idyllic village in Southern Spain. The villagers, wishing simply to be left to cultivate their cabbages, are caught in a cycle of violence which provokes hatred, anger and a thirst for revenge in even the most peaceful of souls. NicDafisrateditreallylikeditNov25,Wecouldassoonhavegivenourownchi They had a warm non-partisan relationship with their neighbors, whom Woolsey writes about movingly in these pages. William James had a theory that the subconsciousness of all men might flow together at a level far below ordinary knowledge and thought, so that we are all aware in the depths of our minds of the same things though we do not ordinarily realise it. Published October 1st by Eland first published WillArateditlikeditFeb25, Feb 05, Paul Read rated it really liked it Shelves: It is unique in that it is not a classic historical account of events in tumultuous s Spain, but a story of a household, a village, characters and their customs, all set against the backdrop of that famous war that set the scene for what was to come.
