## Sabotage Studio - Games with retro aesthetics and modern game design

Metacritic Game Reviews, The Messenger for PC, As a demon army besieges his village, a young ninja ventures through a cursed world.

The Messenger, launching this week on Switch and Windows PC, combines some of the best ideas of beloved retro franchises to mostly.

The Messenger loses a ton of momentum in the second half of its adventure, but taken as a whole, it's a great modernization of a classic genre.
