Our flight to gold coast delayed, so we missed our shuttle to byron that we booked through another company. Sanjay was so nice and let us join the shuttle even.

It's 24 December, Byron Easy, a poverty-stricken poet - half-cut and suicidal - sits on a stationary train at King's Cross waiting to depart.

Meet Byron Easy - just turned thirty, unpublished poet, failed womaniser and borderline alcoholic. It is December 24th, and Byron is travelling to his.

It's the story of a drunk, broke, depressed, wanna be author told in Byron Easy combination of flashback and present tense that somehow works together to create the story. As we join Byron, it's Byron Easy that he's just come out of a very difficult and volatile relationship, and as we progress we get more of an insight into Mandy, the beauty with a very dark. Thankfully, our much put upon titular narrator tells his story with welcome lashings of caustic humour and self deprecation. We are not liable for delays due to weather or traffic conditions. Possiblyth Byron Easy is a modern, Byronic hero with all the snarky personality and traumatic family history of the late 19th century poet, Lord Byron. Byron Easy, the titular character is a failed, self indulgent writer, so I suppose it's only to follow Byron Easy it would go in this direction. Don't read this book if you have a tendency to depression as you will be suicidal by the end of the turgid, long-winded account.
