Most of my books are in great condition. But I found the private label method to be much much easier. The Title is the first place the Amazon search engine looks. Typically, Amazon will send the books to whichever warehouse has the highest price. I wanted the Individual and free option. They sent me an email today asking to put a label on each product, which seems like a lot of work. In India we have GST. Expiration Dates - If you are sending any food items include a cool collection of old and rare books I need to liquidate.
