Why is he asking his mom to "Get the camera" if he's already clearly recording with desktop recording software? Here are some photos I took with the Canon rebel series with the lens. Great recommendations you got. Also, there are some camera straps that are sp Mom will either be into the classic camera bag -usually black ballistic nylon-or she might be the type who wants to accessorize her look with a more fashionable leather or canvas bag. No thanks, take me back to the meme zone! Mom get the camera!! Yeah I used my rebel for many years. The T6s also features a versatile autofocus system, plus improved Live View focusing features and more enthusiast-like controls. These are great tips!
