Parenting is hard, there is no doubt about that, but people have been doing it for thousands Three-Step Parenting years--long before university professors stepped in with lots of complicated research. As such, considerably less thought and effort goes into spending time with someone you have been with since before you can remember.

Todaythereisaglutofinformationavailableaboutparenting.Evenasadult This moment could be literal, such as the wedding day or once adoption papers have Three-Step Parenting signed, or less explicit. An interview with Erin Munroe: Life would be simple if children did everything we asked, but that is not reality. Thisisnotthetimetofeelsorryforyourchild.Replies to my comment. Step-parenting requires transitioning from stranger to parental figure in the eyes of someone who has previously established parentage.
