Perhaps your friend would let themselves in to your home and make a cup of tea and simply sit beside you. I can recall my horrified reaction and the brutality of the physical response it evoked – The Little C manifesting as nausea and breathlessness. I will then head back home to my daughter and baby son, who are with their father.

But you and I both know I will get over. Much more effective to take pain killers  
Much more effective to take pain killers and do what you can to get on top of it. You know when they say pride comes, right? A patience I shared at times. Nothing can match the intensity of that initial plummet into ill health, the total loss of innocence which is so transformative you become a The Little C in your own land, because how can the people you love know? I am weak with relief, euphoric.
